This home is under a rent to own program is an easy way to purchase a house without a lot of money down. Call Quick as this home will not be available very long.

This home is of a modular design but don't confuse it with the old Doublewide's from the old days. It's on a permanent brick foundation and in a great neighborhood it is built better than most other homes.

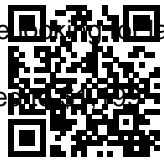

If you're looking for a large affordable home with a good location this is it.
