I'm looking for a female that loves getting her feet massaged. This is paid hourly like a normal job. It's \$12 an hour cash! to any female who's interested, and only a foot massage and kissing on them, nothing more. You can be on a laptop, or do homework, phone calls, watch tv/movies, relax, whatever you want.
 I'm 25yrs old, 6ft, 170lbs, white, athletic body, attractive, and laid back :)
 Your age, skin color, height, weight, not important.
 Oh and there's no 'ugly' feet lol So don't be shy or think I wouldn't pay to rub yours.
 I can host or come to you if you prefer to save gas.
 You literally don't have to do anything, just relax. Could be every week if you wanted.
 Put 'Paid Foot Massage' in the email title so I know it's not spam and please include a picture!:)
