

DO YOU WORK FOR THE STATE

Location **Connecticut**
<https://www.genclassifieds.com/x-730742-z>

Provu Medical is a medical sales and marketing company currently looking to expand its products into new markets. During this expansion we are looking to conduct market research by surveying current Connecticut State fulltime employees to determine the markets viability.

The individuals we hire would be asked to fill out a simple questionnaire; for those who complete a verified questionnaire you would be compensated with an \$100 consulting fee. If interested please contact us with your contact information and we will reach out to you.
