YorkiPoo (Yorkshire Terrier & Poodle Mix)  
 6 months old (DOB: 6/8/2015)  
 Male

Our family travels a lot, and he gets carsick. The vet said that many puppies get carsick the first few months and some grow out of it. Gizmo is 6 months now and has not grown out of it. Because of this, we feel Gizmo deserves a home that of a more stable environment.

He is hypoallergenic and pretty much potty trained but I still keep a puppy pad down in case of emergency. Great with kids and other dogs. We do not have any cats, so I'm not sure if that is a problem, but I don't think it would be.

We love him very much and want him to go to a good home. If you would like to adopt him, there will be a rehoming fee. Serious inquiries only.
