620 Campus park apartment (Cincinnati)

Location Kentucky https://www.genclassifieds.com/x-730764-z

Just graduated from UC and need someone to take over my lease. It is a 4 bedroom apartment (3 other people live there very nice never had a problem with them) a UC shuttle comes right outside the apartment building. You share a bathroom with one other room, have your own room/closet/desk/bed everything is included (cable, laundry.)
