Looking for a young lady (18+) who would be interested in providing one or preferably all the listed services on an ongoing weekly/biweekly basis. This gig is a great alternative to getting a second part-time job or ideal for a college student or single mom who need extra income to make ends meet. No experience necessary, just an open mind a good sense of humor and being comfortable providing adult oriented massages, dancing and/or modeling. Please include a photo or two as well as a contact number for quickest text response. Thanks

P.S. put ur favorite color in subject line...to weed out
