1890 Lease to OwnRent to Own (Hennepin County)

Location **Minnesota**
https://www.genclassifieds.com/x-730793-z

At Century 21 we have a new Lease with the Right to Purchase program, very similar to rent to own, that is excellent for;
- first time home buyers
- people relocating
- people that may not have perfect credit.

Basically how it works - condensed version
- application (to qualify you need a credit score of 525+ and household income of 50k+)
- find a home that is for sale that you like
- our client purchases the home
- sign a one year lease, you can renew up to four times
- you can purchase the home at any time or choose not to

This is a great program for many people. You can start owning your own home now.

The house in the photos is only one example, it rents for $1890, and is a 5 bedroom, 3 bath, 2200+ sf home in the southwest suburbs. Please email your phone number, call or text for details. Thanks for looking.
