--	---	---	---	--	---	---	---	---	---

- â€¢ FVRCP+FeLV initial vaccination and booster
- â€¢ Rabies vaccination
- â€¢ Treated for intestinal parasites, fleas, and ear mites
- â€¢ Microchipping (Alley Cats and Angels uses veterinarian recommended Home Again microchips and shelter paid enrollment in the Home Again recovery database)

Adopter must bring or purchase a carrier in which to take home adopted cat. All cats must be transported in a pet carrier.

Alley Cats and Angels is an all-volunteer, non-profit, 501(c)(3), foster home-based cat rescue organization located in the Triangle, NC area. Alley Cats and Angels is dedicated to improving the lives of the stray, abandoned, and feral cats while reducing the overall number of homeless cats in the Triangle, NC area; we focus on the unwanted and forgotten felines.

Alley Cats and Angels is not your typical cat rescue -- we have a broad range of programs that allows us to find the right solution for cats in various situations. In addition to our adoption program, we have a barn/garden cat program, a feral cat education and assistance/TNR program, and a low cost spay/neuter assistance program ("Alter an Alley Cat").
