Merry Christmas and Happy Holidays!

I'm offering childcare through Winter Break.

I will care for children 4 years old and up. I can watch them a couple hours while you go Christmas shopping, one time or up to 6 hours a day for the whole winter break.

It's all up to you.

I will also run errands;

Picking up gifts from the store

Dropping off gifts and letters at the Post Office,( you know how long those lines get)

Grocery shopping for Holiday meals

ETC.

(No House Cleaning)

I have many years in the childcare profession and have experience as a personal assist and nanny.

Give me a call, text or a email and we can figure out what your families needs are and how I can help.

Thanks for your interest, I look forward to hearing from you.
