LOST in Carmel Woods Condominiums (Clarkson & Manchester). Solid black Persian shorthair female w/copper eyes. She is strictly an indoor cat and has never been outside before. She somehow escaped, and we are worried sick about her. She is a very sweet kitty, and she may answer to the name Luma. She was my daughter's birthday present 8 years ago, and we are both worried sick about her. If you see her or find her, PLEASE contact me immediately...any time of day or night. We are completely heartbroken, and I'm offering a reward for her safe return. Please help! Thank.
