28/29 Tudor sedan project. Needs a few patch panels. Subrails are very solid. all pieces are there including all hard to find garnish moldings. Comes with stock frame and a core radiator and grille shell. Great for rat rod, good candidate for chopped top hotrod, leave patina, or blast and paint. No title.

\$2500 obo. Would sell body by itself, if you aren't interested in a stock frame. Thanks,
