Unwind and relax (North Office)

Location **Wyoming** https://www.genclassifieds.com/x-731087-z

Difficult to concentrate? Feeling as if stress is consuming your life? It's even worse around the holidays for most!

I have the solution!

Try this beautiful office, (15 years established), and certified masseuse who is mature and attractive. Hot stones, aromatherapy and reflexology all included in one reasonable rate for an hour which is sure to make you feel like a brand new person.

Desire a listening ear or simply, a quiet time the entire hour? NO problem.

Fountains, candles, meditative music---peace and serenity awaits.

For all information, my website and number, please send a slight intro of yourself, and describe your stress level.

My clients are established professionals who expect respect and compassion, plus a relaxing hour of flowing Swedish without drama, screaming kids in a hair salon, or who knows what else?!

Unable to focus and sleep? Get back in your game with this relaxing and pampering hour.

I've designed this holistic, relaxing escape for the over 45 professional.
