Okay, so your spouse has left you, the dog hasn't seen you for days, and you've learned how to swim across your writing room doing breast strokes through a sea of crumpled first drafts.

Isn't it time you contacted me?

I'm your editor, your coach, your advocate, and your defense for choosing the toughest profession on earth next to cordless bungee jumping.

I'm damn good. I provide a variety of affordable payment plans (including all four major credit cards). And I'm always looking for compelling copy that wants to go to the next level.

Specializing in fiction and nonfiction book manuscripts with serious potential.

Contact me when you're ready to take your project to the professional or mega professional level. If published, please include where and when. If you're a first time author, please include why.

Please let me know what stage you feel your project has attained.
