Loading bikes for road trips shouldn't be so laborious that it takes away from your riding mojo. The lightweight Kuat Alpha-3 Bike Rack ensures you don't throw your back out when loading up for a long weekend in Moab. Compatible with 1.25 inch and 2 inch receivers (trailer hitches), this 13-pound rack secures up to three bikes while you shuttle your crew through several states to a dirt-lovers' paradise.

Features:

- Composed from Heat Treated Aluminium
- 3 Bike Capacity (33lbs. per bike)
- Anti-Sway Carriages and hand tight cam system
- Weighs Only 13 Pounds
- Integrated Cable Lock and hitch lock included
- Rack tilts away from vehicle for hatch
