Spies in Disguise, Inc. is a National Mystery Shopping company that performs various assignments across the United States using independent contractors. We perform shops for restaurants, retail establishments, hotels, amusement parks, and more.

We have assignments available in your area. Due to the nature of the business, we cannot have the same person re-visit the same location very frequently in order to ensure you are not identified as a mystery shopper. Because of that, we are always looking for new people to add to the rotation at any particular location.

Restaurant Audit - For these audits, you will be reviewing a specific restaurant location and evaluating everything from the initial greeting to the entire service experience and food quality. These audits reimburse you for your food (typically two people) and pay a small fee.

Spies in Disguise, Inc. has been performing mystery shopping evaluations across the United States since 2001. Auditors can only visit the same location once every 2-3 months, so we need a number of people to establish a good rotation. Auditors must be 21 years of age or older to perform the evaluations at these restaurants, although no alcohol purchase is required. Visit us at www.spiesindisguise.com for more information.

Shoppers are paid within 15 business days through PayPal; a check can be issued if you prefer.

Shoppers must have good writing skills, including punctuation and spelling. If you are interested, or know of someone who might be, please fill out a short application by going to our website, www.spiesindisguise.com. From there, select 'Become a Spy'. Once approved, within 24 hours, you will be able to access our assignment board. After logging on to the site, you can view the available shops. Emails are sent out when new assignments are posted.

Thanks!
