

Homeless Mother Needs Help (Nashville, Tennessee)

Location **Tennessee**
<https://www.genclassifieds.com/x-731175-z>

My family (5 babies, ages 8 and under) and I were seperated this HOLYday season due to homelessness. However, I need a place for us to be able to spend quality time together, as a unit, like we're accustomed to. Is there anyone who can help with a hotel stay in the Rutherford County or Davidson County areas.

I thank God for whomever is willing and able to make a contribution towards our togetherness.

In Murfreesboro- least expensive hotel rooms will cost approximately \$120 for a couple days or \$360 if purchasing on a weekly basis.

In Nashville- an inexpensive hotel room will be approximately \$140 for a couple of nights or \$490/week (too expensive for this mama).

Any and all help will be greatly appreciated. I look forward to praising God for your help given to my babies and I.

Regards.
