This is really a great value for the sum of space and convenient location. The unit is located only a couple of minutes from everything around. The property is an antique colonial 2 family in a nice residential area. This Apt. is half of the house, includes 2 bedrooms and a total of 6 rooms. Downstairs is a kitchen, living room and dining room while upstairs there are bath, two bedrooms along with a storage room off of the bathroom. The area has been recently painted and a number of the flooring is brand new. The unit comes with a private driveway and a private cellar with W/D hookups. Bath and the kitchen is partially.
