Need a petsitter? I'm offering petsitting services for families and their fur babies in the Antelope Valley and have been petsitting for the Antelope Valley for years! Available 7 days a week to check up on, clean, and feed your babies. Also available for overnight stays. So if you're going away and need a sitter please contact me for more information. I'd love to come meet you and your fur babies prior to setting up dates so you are assured I am trustworthy, caring, and a good match to take care of your pets! I am a private foster and rescuer, who has also volunteered with several animal rescue organizations. I am Pet CPR and First Aid certified, so you know your pets are safe with me. References available!
