Rocky is a 3 year old full blooded German Shepherd that is looking for a new home. He is good with other dogs but is better off without cats. He is potty trained but we keep him outside and he is also crate trained. He is UTD on shots and deworming. We bought him not knowing he didn't get along well with cats. He is very smart, he knows "sit" and "shake hands". Rehoming fee does apply. Serious inquires only please. I want him to go to a good forever.
