Michigan Location https://www.genclassifieds.com/x-731322-z

I am moving out and need help with some furniture and boxes (will be packed and ready to go) on Monday (Dec 28th) afternoon at 1:30pm. The move is very short, less than a quarter mile away to a nearby storage facility from City Place. Will be using truck and will need 2 men to load and unload from truck to storage facility.

Elevator available at both locations. Total time expected 2 hours. Please contact immediately with your best quote. Must be reliable, trustworthy, and punctual.

Thank you in!
