I am looking to purchase multi-family properties in the Framingham & Marlborough areas. Other towns considered throughout metrowest and Greater Boston. I am looking to buy properties which are aggressively priced, but by all means a fair price. I am looking for a property that will cash flow well and make for a solid investment. If the property needs a little work, that's OK too. If you are looking to sell your multi-family property quickly, let's discuss. You save on the broker fee and liquidate your property quickly, and I acquire a solid investment property. Ideal property is a 4 to 8 unit multifamily, but I would consider something a little smaller or bigger if the numbers work right. It is certainly worth a quick discussion if you are considering the sale of your property. If the property is not a good match for me or my offer isn't quite what you are looking for; there is certainly no harm in having a quick conversation. No brokers please. Please call, text or email. Thank.
