

PitBull Pup (Violet)

Location **Louisiana**
<https://www.genclassifieds.com/x-731359-z>

Black pit puppy born July 21 so she is 5 months old..She is very hipper and jumps on my little ones..I work to many days and hours to even begin to get her trained. So I have decided the best option would be to rehome her. Her rehoming fee is 75. She had her puppy shots but will still need to be fixed and get her rabies shot. If need be I can get her fixed in..
