Is part of your band located in eastern Connecticut or Massachusetts and part in NYC? Check out my rehearsal studios in Stamford, CT, equal distance between the two! FULLY EQUIPPED pro rehearsal studios, complete with full backline, PA, great monitors, mics, drumkit. Main room is 40' x 20' with stage, stage lighting, lounging area. Plenty of off-street parking. You can also use this room to showcase your band for potential gigs. Invite your clients and they can relax and watch you perform a full set. I recently opened another FULLY EQUIPPED room at a slightly lower cost. Also available is a smaller room, complete with PA, amps, digital piano. Ideal for soloist, duo or trio, or if you just need a quiet place to write music or work on vocals (no drums in this room). Sound City Music & Entertainment, 33 Parker Avenue, Stamford,
