Seeking a Nanny for Tuesday and Wednesdays, 7 am - 5 pm for our almost 5 year old boy.
Long days so we are looking for someone/home daycare that is dependable.
To be in school for teaching/early childhood development would be a plus.

We are outside a lot as a family when we have time off... love community events and would like someone to do activities and have fun with our son! :-)

If interested, please provide rates and references.
Also, would feel best doing a background check if we are interested.

Thank you very much for your time! Looking forward to meeting you.
