Sophie is a sweet, petite, American Staffordshire terrier mix who is great on leash, house-trained, and crate-trained. Sophie listens well, goes in her crate when told, and always comes when she is called. Sophie knows commands such as sit, down, and stay! She is good with other dogs, both male and female, with proper introductions and adjustment time. She even does well with cats too! Sophie is good with children of all ages and loves human attention once she warms up to you as she can be a bit timid when meeting new people for the first time, especially men. She is spayed, microchipped, and up-to-date on all vaccinations and monthly preventatives. Sophie is a total love bug and will be the perfect cuddle!
