Lost on Dec 26. White Michael Kors watch. White ceramic linked band with large round face, date square, white large face. I was at Lee shopping center on Saturday morning the 26th. I think my watch broke and could have been found in the parking lot in front of Planet Fitness, and the Hallmark store. I was also in Epping that day. O' Neil cinemas, Michael's crafts, Walmart & Telly's., possibly Walgreens in Raymond. Sentimental value, my husband gave me this on our anniversary. Please if you found it, damaged or not, reply to this post! Thank!
