SINGLE OCCUPANCY ONLY.

This small 10 ft X 13 ft furnished room is on ground floor of a privately owned residence. Includes heat, electricity, hot water & wifi. Building has hard-wired expensive integrated Onan generator like those in hospitals, which means that even in the event of power failures, you will not be affected.

To understand this situation, it is necessary to first take the time to read ENTIRE description, and carefully study ALL photos. Please do this before contacting homeowner.

Situated on pristine private 3.5 acres in a rural area. Includes beach rights to lake across the street with entrance to sandy beach with lifeguard up the road. If you want to avoid the back roads, best way to get here is to take exit 22 off I-93, and then drive 3 miles. You will then be in the town of Sanbornton, near New Hampton, Tilton, and Franklin. This is approximately half an hour (in different directions) from Concord, Plymouth, Meredith, Belmont, Bristol or Laconia.

Living here means enjoying the "best of both worlds" since although the land is pristine, all the shopping centers you would want, including restaurants, Market Basket, Walmart, and a HUGE manufacturer's outlet mall (Tanger Outlet) are located only 6 miles down the road.
