This gracious four bedroom home located in the heart of Tribeca in The Worth Building and offers everything youve been looking for in a penthouse. After stepping off the key-locked elevator, you enter into a foyer leading to a spacious living/dining room flooded with southern light from the floor to ceiling windows that look out to your private planted terrace. The open gourmet kitchen finished with top of the line appliances, gorgeous granite countertops and Bisazza glass mosaic tile backsplashes will make any chef happy. This duplex home offers a lavish sense of space and boasts three planted terraces, four bedrooms and two marble bathrooms. The home also features Brazilian cherry hardwood floors, a washer and dryer, southern and northern exposures and central air conditioning, as well as a large storage.
