Dreaded hair (Dannebrog)

Location **Nebraska** https://www.genclassifieds.com/x-731626-z

Hi, I have looked and looked for someone who knows how to dread hair. I think I have pretty good hair for dreads. I have researched a lot and understand well what it entails. The only problem I can't find anyone to do it!! Would love to pay someone to do dreads for me. Do you know someone? A Business? Or can do it yourself? Thank you!
