PROBLEM: Raising capital to fund a house flip is time consuming, expensive as well as not always available.

OPTION: Funding ForFlipping has raised over \$500,000,000 in funding to thousands of real estate investors as well as entrepreneurs across America since 2008, and are A+ Ranked and Accredited with the Better Business Bureau.

At Funding4Flipping, we make it possible for Real Estate Investors of all experience levels to buy and sell properties quickly and easily at substantial profits.

ADVANTAGES:

Perfect for both wholesalers and rehabbers. (Wholesalers can utilize capital for marketing, tools, and outsourcing).

All experience degrees welcome-- any investor who wants to profitably take advantage of Other People's Money (OPM).

Funds could be used for anything, and usage doesn't need to be approved or reported to a lender or partner.

Unsecured Lines Of Credit can be used repeatedly on new projects without having to pay upfront points every single time, as with hard money.

The total cost of Unsecured Lines Of Credit is really low compared to working with a partner or using a hard cash loan.

No collateral is involved, and if a deal goes south, there is no property lien that can lead to a foreclosure

as well as repossession
No REPOV restrictions
