I am looking for a CERTIFIED Zumba and or Cross fit instructor(s) who would like an opportunity to expand their clientele.

I have access to a banquet hall inside a private not for profit business located in Brattleboro Vt., what I would like to do is work with certified instructors to hold public classes in the banquet hall 2-3 times a week. Charge a small class / cover charge to keep it affordable for every one.

Banquet hall has large wooden dance floor. Sound system to plug Ipod / pad whatever into to play over speakers. Heat etc. Large open concept.

I suspect the classes would be 30 - 60 minutes long depending on the class. This I hope is an opportunity for both you the instructor and us as a business. I don't have anything envisioned that can't be changed but would like to open up the dialog with a trainer that is willing to put a little time and effort into this and make it work.

Contact me, let's chat and see where it.
