

Needing a place to live (Seattle)

Location **Washington**
<https://www.genclassifieds.com/x-731733-z>

I will be moving to Seattle around the middle/end of January, and need a place to live, even if it's only temporary. Preferably something close to NE 74th street, where I will be working.

I'm 28, male, laid back and easy to live with. Feel free to drop me a line with questions about me or my lifestyle - I'll be glad to answer them.

Also, if you have a whole place for rent or any tips/leads on apartments, I'd be glad to know.
