Baby Lionhead bunny rabbit (Seattle)

Location **Washington** https://www.genclassifieds.com/x-731761-z

I am re-homing adopting adorable, sweet baby Lionhead bunny rabbit. They are a dwarf breed and will reach 2 1/2 - 3 1/2 lbs. They are very sweet, affectionate and have been loved and handled since birth. I I have one (black &white spotted) I am asking for a small re-homing, adoption fee to help insure they get good, loving, forever homes. Thank you, Please text or email if you are.
