10 week old male puppy for rehoming. The only reason I'm rehoming him is because I'm moving into an apartment that doesn't allow animals. He's healthy, playful, and smart! He's been wormed and will need another which should be done in two weeks. He's also been given a 6/1 puppy shot on Christmas and won't need anything else for another month. He's going to be between 8 and 12 pounds. He's very sweet and he does have a small rehoming fee.!
