Location **South Carolina** https://www.genclassifieds.com/x-731766-z

Hello!

I am going to be visiting Columbia, SC soon, and I would like to know of artistic expression events going on there.

I am mostly looking for open mics, but any live music events, poetry events, art crawls, etc. going on, I would be happy to know about. If you know of any, please feel free to contact me, and let me know!

Thank you in advance and.
