1800's and early 1900's. Several types from basic primitive to more elaborate with panes, molding, and hardware. Also have a few detailed cabinet style doors. These are perfect diy remodel projects and crafts like ones pictured. Priced 50-200. Depending on door. Will add more pictures this evening.

Measurrments for the two shown in post: one is H 6' x W 24", the other is 73 1/2" H x 32".
