Sanctuary in the City! This one off custom Craftsman home backs up to a nature preserve with abundant wildlife. The vaulted LR features stunning stone archways, a wall of windows overlooking the preserve and craftsman inspired built-ins. The stonework continues into the spacious eat in KIT which features birch cabinetry, HanStone countertops, HWF's and large pantry. The main level master suite features tray ceiling, WIC and beautifully tiled bath. There's a main level office and 3 upper BDRM's. Must SEE! MLS Number: 1453341
