white scorkie

I have an 8 week old white, male scorkie available. His mom is a yorkie and dad is a Scottish terror. He has had first shots and deworming. I currently have him on science diet and select. He will come with his food, bowls, bed, toys and collapsible play pen. He is super sweet and playful. I'm asking a rehoming fee of \$250, I want to make sure he goes to a great home where he will get all the love and attention he deserves.
