This is a great apartment. I am willing to lease it long or short term for the right candidate. It has hardwood flooring throughout and permanent carpet in the bedroom. The bedroom provides you with a walk-in closet and bathroom access. Garage parking for one car and plenty of street parking for guests. Washer & dryer in unit, Smoke free building, not fond of pets BUT, but might consider the right pet. Fantastic location near everything you could want. Flexible move in availability. Looking for atleast a 180 day lease term.
