I am a responsible/reliable, middle-aged man looking for an apartment in exchange for work done on other units or parts of a house, etc. in exchange for a reduced or free rent. I can be an on-site maintenance for emergencies, etc. I can afford about \$500-\$600 if you offer a reduced rent. I have a cat, so i need a place that is pet friendly. I am looking for something in the Middletown or surrounding areas. I am a carpenter/handyman and have over 20 years experience. I have knowledge in framing, roofing, plumbing, siding, additions or anything else you may need done. I take pride in my work and do an excellent job. We are looking for something long-term. We are looking to make this move very soon. Please call or text Paul for more information at

Thank.
