We are a middle-aged couple. Both of us are responsible/reliable and mature. We really need to find a new place to live. I also have a cat, so it needs to be pet friendly. This apartment needs to be in Middletown or surrounding towns. I can afford around \$500 mo.

Also, I'm a carpenter/handyman, with over 20 years experience. I can fix anything! The upkeep of your property would be always a priority. He can also do a fix-up home. If you have something available, please contact me. I am looking for a private residence, no roommates or sharing a residence please. Please NO realtors or businesses. Please contact Paul TEXT or call ONLY Thank!
