Interested in adding cello to your music but not sure exactly what you want? I'm here to help! I specialize in playing by ear and can work with you to find just the sound you're looking for. Skilled in both improvisation and sight reading music, I've played a wide range of styles with many different types of groups.

Here's what some people I've worked with have to say:

"My experience working with Krista was superb! I contacted her on short notice to record a song at a
last minute studio. She responded quickly and performed the piece in the studio beautifully.
A personal whim was that part of the composition was left up to her creative discretion and she
performed it with outstanding professionalism.
She is a wonderful musical talent."

Krista is phenomenal to work with! Not only did she help record tracks for our EP (which she directed within the first couple takes) but she works with me on a weekly basis to enhance the quality of worship at Lifepoint Church. Krista is an absolutely incredible cello player and an even bigger joy to work with." -Dustin Diebold, worship leader / songwriter
