The best home in the neighborhood with an updated kitchen, brand new AC, and a close drive to everything you need.

You get a Master Bedroom with it's own full bathroom. The room is not furnished but the rest of the house is.

\*\*\*\*Stay 12 months and the 13th month is FREE.

Since we purchased the home, we've:

- replaced the halogen lights in the kitchen with can LEDs
- resurfaced the cabinets in the kitchen so they look brand new
- installed a beautiful backsplash between the granite and cabinets
- replaced all 3 toilets with comfort height and better water efficiency
- replaced the AC unit with a more energy efficient model
- better insulation in the garage
- and more...

Even then the house had brand new tile, new granite counter tops, new carpet, fresh paint, new appliances, etc.
