DON'T WANT TO PAY A CRAZY AMOUNT?

I am a dental hygiene student looking for patients so I can graduate from dental school.
The cleaning includes everything you would get in a private practice AND MORE!!
AGES 4 and up welcome!!

Patient receives X-rays, oral cancer screening, doctor evaluation, goodie bag, cleaning, polish, and fluoride!

Cleanings are 3 hours long and possibly might take 2-4 appointments so patients NEED to be able to set aside that time for me to complete them. The cleanings are only \$20 because we are students and require more time to efficiently clean your teeth, Faculty and dentist are on site and supervise. I can clean children, adolescents, and adults!!

I was previously a dental assistant for 5 years so I come with dental experience and am taking the next step in my career. I NEED PATIENTS TO GRADUATE FROM DENTAL SCHOOL!!! so please don't be shy and contact me if interested or have further!!
