Hi, I do small time Shiba inu Ready Now. Right now I have 3 shiba's looking for new home.

Nita 12wks white/black female (spayed) was found walking down a busy road at 2wks old with a eye infection but now she sees very well. That is all cleared up now and has been for awhile She is my special girl, is very active and into everything but is really a one person Shiba she loves me and just likes the other people in my house. She would do fine as a only dog but does tolerate other dogs and cats. She has been fixed and given rabies vaccine, is up to date on flea prevention and have had 2 deworming treatments. I am asking a 250.00 rehoming fee just to cover the cost of the spay and the rabies.
