QR Code Link to This Post Hi I am a mobile mechanic with 25 years experience.
I have worked at Ford, Chevy and Nissan Dealerships in the Portland area.
Being mobile has allowed me to keep my rates low while providing exceptional service.
My \$60.00 front brake special depends on your vehicle's year make and model.
This special is just for brake pads and does not include rotors calipers.
Any other parts that are required to keep you safe on the road will be an extra cost in parts and labor.
Either way you will spend far less with me then any shop you would take it to.
I offer a 30 warranty on labor and most parts have a lifetime warranty.
