Sorry, no pets and no smoking. June \$4500

The kitchen and the deck are the best parts of the house. It is the type of kitchen where you can enjoy being in there preparing a meal or having food out and entertaining friends. The favorite part of the morning is coffee outside on the deck taking in the morning sun. Evenings on the deck enjoying a meal or a beverage and taking in everything. You will definitely get your shore oasis in this place you'll call.
