QR Code Link to This Post Do you need immediate business funding? If you have a genuine need for business funding of at least \$500,000 up to \$1,000,000 -- I have two (2) asset backed corporations, which I personally built over the last 3 years to be used for the sole purpose of obtaining such funding.

Each corporation carries a minimum of \$500,000 in guaranteed attached funding, and are fully supported and backed by assets that I provide. No business activity has been conducted with/through them other than preparations for their current loan values over this 3 year period.

funding, as will a one-time 10% closing fee.

I guarantee you will receive the funding shown above within 60 days from the date the asset-backed corporation is transferred into your ownership, or I'll refund 100% of the purchase price.

These are the only two (2) asset backed corporations I have at this price, as I'm a Private Seller, and these won't last long. Contact me ASAP for a no obligation contract to review these services.

Contact me through this posting with your name, contact information and email address for details.

Any new owner can use the funding for any business purpose and your current income and credit scores are NOT a factor.

Many companies sell inferior shelf corps, that often carry little or no ACTUAL funding, upwards of \$10,000 or more -- yet I'm asking ONLY \$7,500 each or BOTH for \$12,000! You can even get started with a small deposit of \$3,000 for one or \$4,000 for both. The balance would be due upon the closing of your
