For sale is a nice selection of sterling Christmas ornaments from various manufacturers in numerous different series. Most of them are on display in my showcase (S537) at Gas Lamp Antique Mall, 100 Powell Place, Suite 200, Nashville, TN 37204. I will be bringing the rest, so if the one you need isn't there, let the staff know and I will get it to the mall. They are all priced individually from \$35.00 to \$175.00 each. Most have the original boxes with the pouches for the ornaments. The FIRST EDITION is available in many of the series. All are sterling silver except as noted. Below is a pretty accurate list.
