QR Code Link to This Post i have the original STAR WARS DEATH STAR PLAY SET FOR SALE.. i believe in came out in 1978, maybe 1979.. the elevator works, stops at every floor, can lock in place. the gun still moves.. the trash compactor knob turrs, moving the wall in closer.. the walkway moves, bridge i guess it would be called. still works..only thing i can see missing is the trash compactor door, and monster in the trash compactor, and 'garbage' from trash compactor.. i think thats it.. one of the struts, i had to super glue the base piece together.. but its strong now.. (as shown in photo).. will hold in place, no problem.. .. \$150.
